AXpress Health Passport

Health Passport accepted by all major airlines and airports authorities

OUR VISION

To see a CovidFreeWorld by bringing Affordable Testing and Fair Priced Vaccines to every human in need before its too late.

WHY TESTING IS THE WAY TO REOPEN THE ECONOMY?

Freedom of movement will enable all global economy to recover faster.
 Tested Covid – Negative people can make this possible

CHALLENGE IN GETTING PEOPLE FOR VOLUNTARY TESTING -

			
Fear of infection	Long Waits	Expensive	Doubts and Misinformation

WHY US ?

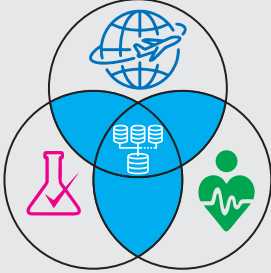

A common platform for all infection and testing data to find the exact numbers.

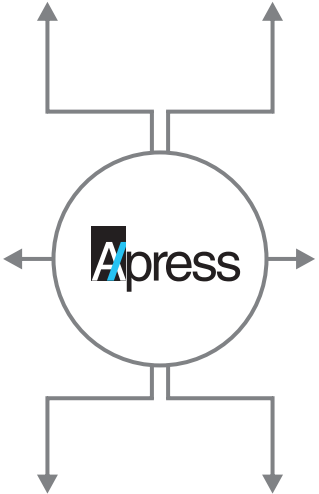

A single national platform to connect the tested patients, labs and health care officials to involve customer inputs.

A single global platform to check updates on tested international travelers with a globally connected data pool to track or verify the laboratory credential, test results and health status of a person.

Laboratories having inaccessible during the epidemic. We bring all **Verified Labs** to their fingertips and provide genuine information.

Affordability allowing mass testing. Our globally connected procurement supply chain translates to lower cost of supply.

AXpress eliminates all paperwork, Introducing **QR code system** - One point of identity of appointments , testing, re-testing, verification. Any one across the globe can get their results verified through simple scan either by airlines or airport authorities.

Our Global Network of HealthCare Partners allow us to bring the most advanced testing solutions to all parts of the globe. We act as the delivery partner for all solutions at the most affordable prices. Our global network of suppliers ensure delivery of the best solutions at affordable prices

Upgrading Testing infrastructure to handle more volumes and faster results with AXpress Covid Testing Platform. Integrate them to the Global Database.

Awareness and Exciting Consumer Offers to encourage volunteering testing

Dining & Shopping Discount Vouchers

Safety

Proper communication

Reporting & Verification

Powered by
AXpress

* Conditions apply.

AXpress is a one stop Covid testing facility, reporting, verification and statistical platform. Helping the concerned authorities to take preventive and corrective action to control further spread.

AXpress once approved across airports/airlines brings all international passengers under one global testing platform ensuring equality to all.

International passengers

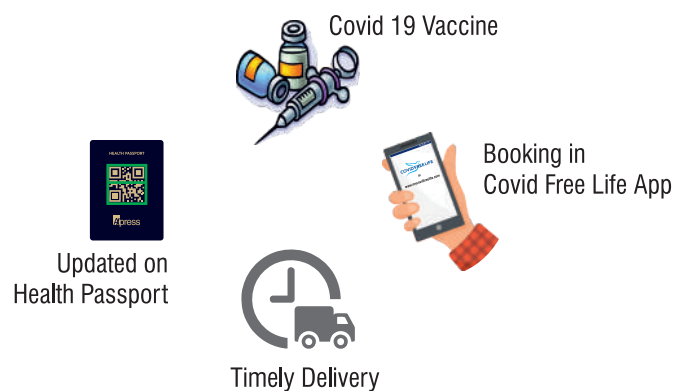

Globally Accepted AXpress Health Passport

Promotes World Equality

A vaccine delivery platform - Be the first in line to receive the vaccines as a reward for being a responsible person by getting retested the most.

We will bring the Vaccines to the world and when we do that, AXpress will be the key to delivering them fairly and in time. With proper delivery platform at finger tips, we can manage the greatest logistics challenge of our time with a global booking and delivery platform. The Health Passport will update its results and no more testing

Double Authorisation

Block Chain

Finger Print

Information Security

Consumer data is stored in secure server with military grade security.

GETTING THE WORLD BACK IN THE AIR

Airports disallow entry to reduce spread of infection

Travellers too wary and fearing infection

Bring back the trust and still reduce the risk of infection through non invasive measures

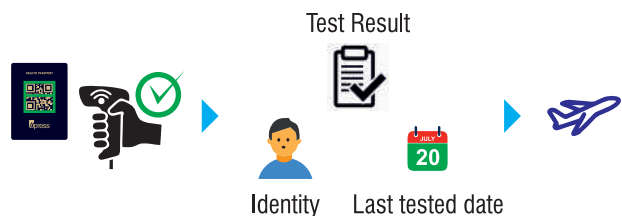

INTRODUCING THE AXPRESS HEALTH PASSPORT

Say Good bye to hassle of lab reports and its authenticity. Welcome the freedom of a digitally on spot verifiable test result from globally approved platform

Our AXpress system covers customer collection-appointments-test-results in a single platform linking all the approved labs across the world and upgrading their testing infrastructure to handle more volume and faster results with AXpress Covid Testing Platform.

AXpress Health Passport, with a single scan shows results, last test date and identity. Get the freedom of travel back to skies by simple checkin process.

Anyone, including airport officials can check authenticity by scanning the AXpress health passport and avoid quarantine. Frequent fliers can feel back to normal and continue to enjoy the freedom in sky

Fly

For departure airports / airlines that insist on results not less than 2-5 hours prior or arrival airports that insist on new test results.

We Introduce

AXpress Testing Platform

Partnering with a local license holder/hospital to ensure local liability (Local Hospital/Laboratory Partner)

Setting up AXpress Covid Testing Platform to provide High Volume Express Sample Collection and Results

Passengers can come to the airport Pre-Health Passport ready, with their QR Code at the ready.

Use the app till the end of the pandemic restrictions for all future tests for all airports with discounted offers

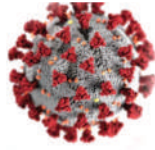

AXpress Platform can be integrated into the airport or the airlines facility based on the regulations of covid testing for each country.

Control infection spread with non-invasive procedures for passengers and regain their confidence.

Update the AXpress Health Passport and successful vaccination to allow seamless travel.

COVID PANDEMIC

A threat to businesses around the world

Risk of employees spreading infection and lack of customers.

Downfall of global economy.

We Offer solutions for

Corporate Offices

Shopping Malls

Shops & Restaurants

AXpress Covid testing

A single end to end platform to get anybody tested and get their own Health Badges which can be verified onspot.

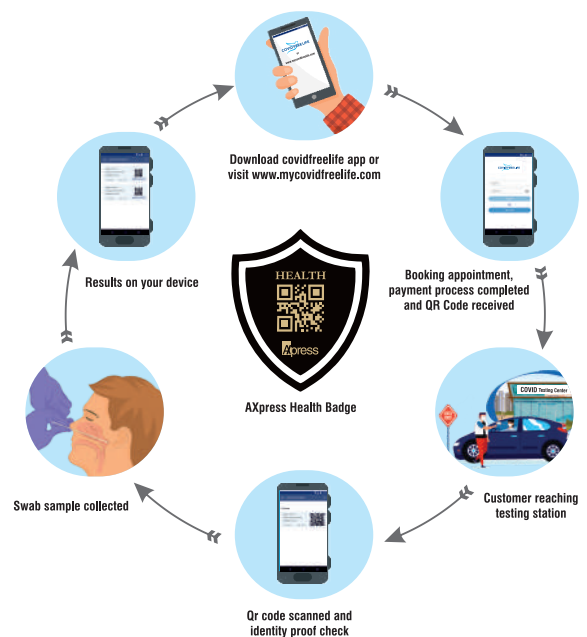

- AXpress Health Badges help you bring back normalcy to work. Get your employees tested routinely to bring confidence and security.
- AXpress Health Badges help employees serving and contacting outside customers to be more acceptable and safe.
- Entertain customers with AXpress Health Badges by rewarding them with discounts or preferred covid free relaxed seating.

- Once your premises are considered covid free, we can advertise both on our platform and you can market them independently as AXpress Passport Compliant. This will bring the customers feeling safe to visit your premises.
- We have a discount program for such customers, please get in touch to discuss details and how you can be part of this.
- By giving a shoulder to each other, we can all support each other and move this world forward during this pandemic.

AXpress Health Badges can be used as AXpress Health Passports when anyone is travelling abroad and breeze through airports.

Please get in touch with us to discuss Corporate Testing Packages at attractive rates.

How do you do it?
